

EXODUS 20

AND GOD SPAKE ALL THESE WORDS, SAYING...

THOU SHALT NOT KILL.

**AND MOSES SAID UNTO GOD, COULD YOU REPEAT THAT MORE SLOWLY, FOR I AM BUT A SQ
+13?**

AND GOD SAID UNTO MOSES,

THOU SHALT NOT COMMIT ADULTERY.

**AND MOSES SAID UNTO GOD, I THINK YOU ARE BREAKING UP, YOU ARE LOSING ME,
CAN YOU REPEAT MORE SLOWLY FOR I AM BUT A SQ +13...¹**

AND GOD SAID UNTO MOSES,

THOU SHALT NOT STEAL...

**AND THE PEOPLE STOOD AFAR OFF, AND MOSES DREW NEAR UNTO THE
THICK DARKNESS WHERE GOD WAS.**

¹ Commentary: For human purposes, God does not need to be “a SQ +50 Superbeing,” rather, as Robert Freitas points out, “messages transmitted across an SQ gap of 10 points or more cannot be very meaningful.”
